Preface

We have the pleasure in presenting the Annual Report of Chaitanya Bharathi for the year 2021-22. Major developments have taken place for the overall development of the target community. A sense of achievement prevails as we put together. It has been able to contribute though small in terms of volume but significant in terms of quality. Every successful intervention paid new challenges and expectations. The programs with different activities have been given more focus and emphasis.

Chaitanya Bharathi is deeply grateful to the donors and government authorities for their unflinched support not only in funding but also for their valuable guidance in designing, implementation of various projects and its activities with time and again monitoring and feedback which elated us a lot and impressed the community as well as helped us in generating further resources to continue the work for the cause of the target community. The annual report is indeed a wonderful platform which mirrors the splendid progress, achievements and creative contributions which helps the community for their overall development to a larger extent.

A strong building needs a strong foundation. We have laid a foundation with letter and spirit to empower the community for their socio, economic development to face the challenges in their real life for building a meaningful life. It gives us a great pleasure to present the Annual Report for the year 2021-2022.

We do hope that the endeavor and contribution of the Chaitanya Bharathi in collaboration with funding partners will be received well by the community which gives enormous opportunity not only to mould them into strong and successful individuals, but also to achieve greater heights in the years come for their sustainable development.

Looking forward for all success of the ventures

The Annual Report for the year **2021-22** covers different project activities for the upliftment of the community. It also covers overall projects of the organization and process of work. It is gratifying to note that we have made our every effort to fulfill the objectives of the organization and also for the overall development of the people.

SWADHAR GREH :

The economic, social and psychological needs are causing many problems to present day women, who are not equipped enough to face them. Especially for the women in difficult circumstances like widows, destitute and deserted women, women ex-prisoners, Victims of sexual abuse and Crimes, including those trafficked and rescued from brothel houses, migrant or refugee women, who have been rendered homeless, due to Natural calamities like floods, Cyclone, Earthquake etc., Mentally challenged women, women victims of terrorist violence etc. Sometimes society itself drives such women out of the system to lead lives of sub human existence. Sometimes vulnerable women in distress end up as beggars or prostitutes for their own survival and at times for survivals and maintenance of their dependent children. Marital conflicts and emotional disturbances are driving women out of their home. These women require sympathy; help and proper rehabilitation and guidance. Self-confidence should be instilled in them to face the situations. They should be given mental and financial support to readjust in their family or society or both.

Therefore “Swadhar” scheme is very much needed to cater the requirements of various types of women in distress in diverse situations under different conditions. This scheme supported the specific vulnerability of each group of women in difficult

circumstances through a Home-based holistic and integrated approach. Such type of scheme is very highly helped in Vizianagaram to ensure the women in distress.

The female population who were in distress due to family tensions, disputes are unable to get immediate help. This type of scheme will be very useful to those women who are in difficult circumstances like destitute in danger, deserted women, victims of sexual abuse, widows, women and girls trafficked and rescued from brothel houses and women who are facing marital conflicts and emotional disturbances, girls failed in love etc.

The economic, social and psychological needs are causing many problems to the present day women and girls. Marital conflicts, family disputes and emotional disturbances are driving women out of their homes. These type of women and girls need the help of the scheme, because they can immediately avail the help. If we provide proper guidance and self confidence to them they do not take any unwanted and dangerous decision.

The Swadhar Greh has given valuable and necessary services to all the women and girls who are in distress or in difficult circumstances. Rescued the trafficked women and girls given the solutions to the problems to the women. Further it helped and guided the women to take proper support of the police, legal and medical nearby them. Therefore, Swadhar Greh is very much helpful to cater services to the women and girls who are in difficult conditions. This scheme extended support to the specific group of women who are in dire need. Therefore Chaitanya Bharathi focused mainly on Women and Child development and successfully implementing Swadhar Greh Project activities supported by the Ministry of Women and Child Development GOI, New Delhi. Awareness camps On Swachh Bharat Mission:

During this reporting period four awareness camps on Swachh Bharat Mission have been conducted in R.B. Puram, Baljipeta, Nellimarla and Jami Mandals. The resource person Mr R.S Murty addressed the camps and sensitized the community on the importance of Swachh Bharat Mission. He outlined that Swachh Bharat Mission was launched on 2nd October 2014 by the Honorable Prime Minister of India with an aim to achieve Swachh Bharat by 2020 as a fitting tribute to the 150th birth anniversary of Mahatma Gandhi with in rural areas. He covered various topics like sanitation coverage and open defecation free GPs , accelerate the efforts to achieve universal sanitation coverage and to put focus on school sanitation , menstrual hygiene management (MHM) , construction and usage of individual house hold latrines , provision of safe drinking water , proper utilization and maintenance of existing water resources , solid and liquid waste management, plantation of trees, removal of silt and other waste materials in the canals keeping wards, streets and villages neat and clean by maintaining environmental sanitation and advised the participants to wash hands after going the toilet and before eating the food to maintain individual hygiene practices. He stressed that the mission shall strive for removing the bottle necks that were hindering the progress.

Awareness camps on Water, Sanitation and Hygiene (WASH) :

Three awareness camps on Water , Sanitation and Hygiene (WASH) have been conducted during the reporting period in Parvatipuram, S. Kota and Gajapatinagarm respectively. The main objective was to streamline the community for consumption of safe drinking water and maintenance of better sanitary practices in their villages for

protection of their health. Water and sanitation are two important components which are not being seen as an end but as a means of benefit . Mr. N.Tulasi Naidu an expertise in water and sanitation, as a resource person addressed the meetings. On this occasion he deplored that safe drinking water and good sanitary conditions are very vital and plays a key role in safe guarding one's life from various diseases. He pointed out that scarcity of safe drinking water, unhealthy hygienic conditions and poor sanitary practices had a great blow to the human being and leads to suffer with several water born diseases like Cholera, Diarrhea, Dysentery, Skin infections, Malaria, Guinea etc. He also stressed the importance of clean and green around the villages , plantation of trees , open defecation free villages , cleaning of existing drains in the villages to protect from mosquitoes , safe drinking water , institutional deliveries focus on proper care Menstrual Hygiene Management, school sanitation, Usage of house hold latrines with adequate water supply , Rapport building with SSBM(G) , SWSM , DSBM(G) , DWSMC , Village water and sanitation committee , Line departments , PRI members , CBOs , NGOs , SHGs , School children , Civil society , Teachers etc. He also pointed out that maintaining of clean and neat schools . PHC centers , Anganwadi Centers and other local Govt Officers makes the environment Green and Clean . He stressed that Information, Education and Communication plays a key role for achieving total sanitation and to reach the goal of Swachh Bharat through WASH services to protect the Health and Wealth of the Communities. Lack of these three components not only drains the economy of the people but also adverse affect on the life. He underlined that unity and integrity among the people without any discrimination and bias in mobilizing the resources as well as using the existing resources by proper care and management with strong leadership qualities would not only protect the assets but also the health. These awareness camps sensitized the community and the community drew their attention by realizing the importance of the two components i.e. water and sanitation.

Awareness camps on Forest Protection :

Two awareness camps have been conduction on environment and forest protection during the reporting period at Reedivani Valasa and Kureru Mr. G.Vinod forest ranger as resource person addressed the said camps. On this occasion various topics have been covered on protection of environment and a forestation for maintaining ecological

balance. He explained that deforestation is a great blow to the environment and cautioned that uneven climate, unseasonal rain and erratic rainfall spoils the ecological system. He emphasized that production of commercial crops, high yielding varieties and marketing system. The Resource person V.Padma has trained SHG members on the procurement of MFP, Adda leaf, and its value addition.

Training on SHG Management:

Three training camps on leadership development and SHG management have been conducted during the reporting period in Kottaki, Denkada and Garividi. The role of women is very important for their individual development and society as a whole. Formation of SHG means to promote leadership quality among the women and empower them. The resource person R. Padmini imparted training to the participants. The focus was paid on the role of SHG, promotion of leadership qualities, savings and thrift, internal lending, bank linkages, conducting of regular meetings, maintenance of books of accounts and other records, repayment of loan, involvement of women in developmental activities, economical empowerment etc., The trainings infused confidence and oriented the women to gain knowledge on their roles and responsibilities for SHG management.

Awareness camps on Organic Farming Practices:

Three awareness camps on Organic Farming Practices have been organized during the year 2021-22 in Arikathota, Narisipuram, K. Rega. Speaking on the occasion the resource person

N. Gopal Rao exhorted that the inorganic agricultural practices leads to environmental pollution, reduces soil fertility, water absorption capacity, land degradation, low yield, high investment and also causing many diseases to the humanity. He sensitized the community about the importance of the organic farming practices preferable with using farmyard manure, neem cake, neem oil, bio-fertilizers and vermin compost etc gives more quality and quantitative yield with less investment and the Organic farming practices also useful for maintenance of eco balance and promotes soil fertility, more productivity and more output with less input and better remunerative price for the produce.

Collobration Efforts :

Chaitanya Bharathi has a privilege to maintain good rapport and seek cooperation from all corners of the society for successful implementation of different project activities .Chaitanya Bharathi maintains good relations with all govt. departments Donors CBOs, PRI, Service providers as a part of collaboration efforts.

Conclusion:

The interventions of different project activities are highly needed and useful to the community to stretch forward. It will boost the confidence among the community for their socio, economic development and to lead a self determined life. We are very much thankful to the INGO, Government officials who are extending their support with vested confidence to do justice to the disadvantaged sections of the community throughout the year. CHAITANYA BHARATHI is trying its best to synchronize developmental activities and bring a change in the community.

We are being encouraged by our funding partners, Government officials with their valuable thoughts, views and sharing experiences, guiding us for successful carrying out the project activities. We express our sincere thanks for their unreserved support and assure our best delivery of services in the coming days for successful implementation of the project activities.
